**1st** **THEOBEN TOFFEE PLU AT ALBERTWOOD**  
11 ½ years old  
*In good condition for his age. Wide open nostrils – He still has his teeth – The feet are slightly splayed, but he still moves well.*

**2nd** **EDSTRONG TREVAN**  
*Sound – coat in good condition – nice head, does not show his age – excellent movement – tail carried to high (gay).*

**3rd** **THEOBEN MASTER PIECE AT ALBERTWOOD ShCM**

**1st** **Perkin's Quintic Bridget (BVIS)**  
*At 8 years old this beautiful white bitch was an easy winner. I thought her movement was truly outstanding. Going over her I found her to be in excellent muscular condition (she must live life to the full). She has a strong head with a fantastic expression and nice clear dark eyes. She has a nice body shape and well-boned legs. Being critical of her I would have liked a better tail. I was pleased to see her go Best Veteran in Show.*

**2nd** **Fridlington's Orphious Moana Lisa at Albertwood**  
*She is a credit to her owners at nearly 10 years old. A well made Red and White bitch. Good length of skull with well set ears and well positioned eyes and excellent turn of under jaw. She did not have the spring of rib of my winner but she did have a good top line. Movement was slow but sure and true.*

**3rd** **Fridlington's Rajjo Naughty but Nice at Albertwood.**

Class: **Minor Puppy Dog**  
Entries: Abs:

**1st** **ARUMUS CUTTIN EDGES**  
*Wrinkles are a little too heavy. Slightly undershot (may improve with age) Nice clear dark eyes – Excellent bone – Excellent movement.*

**2nd** **HILLPLACE WHAT HO QUILATERA**  
*Good size – good bone – nice head with fine wrinkles – feet slightly splayed (need exercise) wide brisket – top line could be firmer (age) – juvenile movement.*

**3rd**  
Res

**1st** **Thomas and Godfrey's Kingrock Easter Surprise**  
*At just 6 months she has a lot going for her, she has a fantastic expression with a good turn up. She has well set ears and clear dark eyes. Good length of neck into a well made front. Good spring of rib and good top line, very nice hindquarters. Movement was very good in this class but lost out for Best Puppy Bitch because in challenge she did not move as well. (But she is one for the future).*

**2nd** **Ives & Steel's Ivabully Sweet Temptation with Pearcroft**  
*Very nice 7-month-old Red and White bitch. I loved her pigmentation around her eyes. Her eyes were clear and dark and she had well positioned ears. She has good dentition and a nice fitting mouth. She has a nice body shape with every thing all in proportion. Movement was very sound. Presented by a caring handler.*

**1st Lockwood-brown and Curtin's Shiloh Blossom Dearie**

*My notes said very nice class lots of quality, so to win in this class means a lot. As I assessed this class this Red and White Bitch caught my eye. She looked so balanced as I viewed her from every angle. I loved her head shape with good length of skull, correct layback with nose and eyes in correct position, the eyes were clear and nostrils were wide open. She has well-positioned rose ears. She did not enjoy me going over her body, but I was able to examine her and I was very impressed with her body construction. Movement was excellent and I the challenge for Best Puppy Bitch she excelled and I had no worries awarding her Best Puppy Bitch. I was pleased to see her handled by a caring handler who showed patience with her.*

**2nd Hodgkinson's Bullpei Emelda Dooley**

*A quality 11 month old Red and white Puppy. I loved her body shape, viewed from above pear shaped, correct top line, nice square front. She has a quality head with a lovely fitting mouth and good dentition.*

*Clear dark eyes and correct well set rose ears. To finish off her beautiful appearance I would have liked a smaller nose roll and her feet could have been a touch tighter, I am being very critical here. Movement was correct and sound. Presented by a very good handler.*

**3rd Strange's Saintgeorges Prim n proper at Armus**

**Res HILLPLACE LAY LAY LAY**

**1st OCOBO GOB STOPPA**

*Very good proportions - good size– no exaggeration – nice clean fine wrinkles – wide open nostrils – excellent shape of eyes – very dark – excellent pigmentation – excellent sourmug expression – excellent bone –excellent front – tail could be set a little lower – excellent movement and top presentation.*

**2nd ASHARLO COULD IT BE MAGIC**

*Looks juvenile – Wide skull – the wrinkle on the nose could be a little smaller, but still acceptable – nice round dark eyes – excellent front – good movement - must still develop.*

**3rd BRITISHPRIDE GRANDMASTER**

**Res PRIDEOFBULLY SIR BENNETT WITH IVABULLY**

**VHC LEKERRY LE STANLEY**

Class: **Junior Bitch**

Entries: 11 Abs: 3

**1st Davis's Ocobo Patsys Choice**

*My notes said loved all first 3 placements all real quality. Absolutely loved this young 13-month-old bitch. Viewed from any angle she is so harmonious with every part flowing into one another. With her well-fitted mouth and turn of under jaw she had such a sour expression. She has the darkest of eyes and beautiful fine rose ears. Being very critical I would have liked a smaller nose roll, but as her head develops and fills out it will not be a problem. Good length of neck into a well made front assembly, excellent curvature of the ribs, correct top line and good rear angulations. I was very impressed with her movement. She just needs time to mature and gain more muscle tone and she will trouble the best. I did consider her for the RCC. She was presented and moved by a very efficient handler.*

**2nd Lamont's Laroyals Best Kept Secret JW**

*Another quality exhibit, this 14 month old Red and White bitch like my winner is very balanced, excellent length of skull with a good layback, well positioned ears eye and nose. Good dentition and turn of under jaw. Body wise her front is superb with well tacked on shoulders, good bone and neat feet, good ribcage and top line. Being very critical I would have liked lighter hindquarters (she is a touch beefy behind) but this does not distract from her overall quality. Movement was very sound.*

**1st** Stutter's De ca n benet Starman ta Linmist (naf taf)

*My notes said not the strongest of classes and very close between 1 and 2. Both of these bitches were in excellent condition. Both moved very soundly but I preferred the more fluent action of my winner. Both had very nice heads with good length of fore face giving a good layback. Correct ear eye and nose placements. Being very critical both could have wider jaws, but both had good turn up of under jaw. My winner had a better depth of fore chest and a better top line. Both had good hindquarters with very good tails.*

**1st** Smith's Ocobo Emilys choice of Saintrosemil (naf)

*Easy winner of this class and at only 14 months she has a lot of time to mature. When viewed from any angle she was the most balanced. I loved her head, good length and width of skull, clear clean eyes, wide open nostrils, good layback, good width of fore face and a good turn of under jaw gave a lonely expression. Good length of neck into a good front assembly, good top line and curvature of ribs. She has very nice hindquarters with a good tail. Movement was fluent and correct.*

**2nd** Holme's Shuckstuns De Ja Vu

*She has a correct pear shape body with a nice front assembly with good straight bone and good feet. Nice light hindquarters. She did not*

**1st** Barrett & Boyce's Miltonprides Beaudiddlee  
*I loved this bitch when viewed from the front. She has a very nice front with good depth and width of fore chest. Nice straight bone and good feet. She has a lovely expression with the darkest of eyes, good dentition with a well-fitted mouth. Good ear placement completes a very nice head. I would have liked a better top line. This was due to high hindquarters; being very critical I would have liked a better tail. She had true fluent movement.*

**2nd** Ayre's Hillplace Temptation at Quiltera  
*This 2 year old had a much better overall body shape than my winner*

Class: **Post Graduate Bitch**  
 Entries: 12 Abs: 5

**1st** Collins & Gillingwaters Warson Mrs Doubtfire at Linfordpride.  
*My notes said both of my 2 first placing's stood out. Both of these young ladies had fantastic expressions. This was due to excellent turn of under jaws and a good fitting mouth, along with good clear eyes and a good nose placement with wide-open nostrils. After examining both heads again I felt my winner had a slightly better fitting mouth and dentition. Both had excellent length of skull. Body wise my second place had a better front assembly, both had good bone and feet; both had good spring of rib and good hindquarters. Movement was a joy to watch so sound and so fluent.*

**1st** **Dangerfield's Bullfleet Beauty Queen**  
*I felt that all 5 of my placements were of a very high standard. I was spoilt for choice. But 1&2 really stood out. My winner was more of a standard size, her head was not as large as my 2nd place but she had more length of skull. Both had good turn up of under jaws but my 2nd place had better dentition. Both had nice clear eyes and both had correct rose ears. Both had good body profiles viewed from any angle, with both having good top lines and spring of rib. Both had well muscled light hindquarters with acceptable tail carriages. Two very competent handlers stacked up and moved their bitches with the utmost of ease.*

**1st** **Goodwin's Britishpride Biba**  
*This was an excellent class; the depth of quality was outstanding. All my 5 placements are a credit to there owners. But my 1st place was never in doubt. She is such a well-made standard bitch. Viewed from any angle she portrayed excellent balance. I am going to be very critical here, to finish of a quality head I would have liked a touch more turn of under jaw and to finish off a well made body I would have liked a touch more rear angulations. Her movement in the Bitch challenge was outstanding and I had no hesitation in awarding her the Bitch CC. In the challenge for Best in Show I felt that she was moved to fast. In the challenge for Reserve Best in Show her handler got her to move at the correct speed and I was pleased when the Referee Mrs Judith Daws awarded her Reserve Best in Show.*

**2nd** **Stubberfield's Unstopabull Vuvuzella**  
*At 28 months old this standard size red and white bitch is just coming into her prime. She was presented in immaculate condition. Good length and width of skull, good ear carriage, clear dark eyes. Being very critical I would have liked a smaller nose roll, good width of fore face and a well fitting mouth all helped to give a sour expression. She has a very pleasing body shape, and good hindquarters. Movement was very sound. I was pleased to award the Reserve CC.*
